Twin Kennedy

March 20 @ 7:30

Lincoln Theater, New Martinsville

"Two voices make one singular sensation!" Monday Magazine

Twin Kennedy, comprised of West Coast sisters Carli and Julie Kennedy, have been making music together since they could talk. Born and raised in the small town of Powell River, BC, Twin Kennedy grew up perfecting their sibling harmonies and dynamic live performances, while making their name known throughout their small community as a family band.

With years of classical training, including their Bachelors Degrees in Music Performance from the University of Victoria, the sisters have found their home in country music. With Carli on vocals and guitar, and Julie on vocals and violin, these petite powerhouses will fill your soul with joy and warmth through their seamless harmonies and heartfelt songwriting. No bond compares to that of sisters, and the same is to be said about the blend of their kindred voices.
